

MALIBU | 6261 Tantalus

Offered at \$8,000,000

6 Beds | 8 Full Baths | 6,309 sq.ft.

One of the most exciting modern Malibu masterpieces to enter the market. This compound has it all, including an address in one of the few private neighborhood enclaves with deeded beach rights and pathway traversing under PCH providing access to coveted Escondido Beach. The home could be sold fully furnished, complete with art, exclusive memorabilia, a luxury golf cart, and a practically new black Lamborghini Gallardo. The main estate sits behind private gates with a living koi pond entry exterior hallway, ascending to the second level entry foyer, offering spectacular, sweeping whitewater ocean views. An open floor plan, ideal for entertaining, boasts floor-to-ceiling walls of glass opening to large patios, fire pits and seating areas. High ceilings invite in abundant light to flood the chef's kitchen and fully-equipped bar. A pool, spa, N/S tennis court, and guesthouse with separate entrance complete this rare offering.
